

"A PORTRAIT OF ITALY" with St. Louis Group travel

October 21-November 1, 2008

Enjoy Italy the relaxed, unhurried way! Instead of changing hotels nightly we will enjoy four nights in Sorrento, three nights in Asissi in the Umbria region and three nights in Rome. Sorrento and Asissi are perfect destinations to enable us to make day trips to all the major sights of Italy and still have a relaxing holiday. Experience the culinary delights of Italy as we will sample the wines of the regions, enjoy tours of wineries, Olive Oil factories, Mozzarella farm tours. Learn how to make Ravioli, Fettucine, Canoles true "Italian Style".

See such sights as the ancient cities of Pompeii and Herculaneum where you will walk in the footsteps of the ancients. Walk the streets of the Forum in Rome and see where Caesar was betrayed. Imagine the roar of the crowd at the Collesseum and of throw your coin in Trevi Fountain so that you will return again to the Eternal city.
